Cover
Like all wildlife, this snowy owl is a product of the land and benefits from good land and water management (see page 23). A National Film Board of Canada photo taken near Calgary, Alberta, by T. Fitzharris.

The Soil Conservation Society of America is dedicated to promoting the science and art of good land use, with emphasis on conservation of soil, water, air, and related natural resources, including all forms of beneficial plant and animal life. To this end, SCSA seeks through the *Journal of Soil and Water Conservation* and other programs to educate people so that mankind can use and enjoy these natural resources forever.
